RE: Resolution No. 4057 - FY 2012-13 Overall Work Program (OWP), Planning Certification, and Authorization for Execution of Agreement for Federal Planning Grants

Staff requests that the Committee refer the Overall Work Program (MTC Resolution No. 4057) to the Commission for approval.

Background and Overall Work Program Overview

The OWP is the principal document governing the budget, allocation, and use of federal transportation planning funds in the San Francisco Bay Area. It is prepared with the Association of Bay Area Governments (ABAG) and the California Department of Transportation (Caltrans), both of which are partners in regional transportation planning activities in the Bay Area. MTC's portion of the OWP includes MTC's unified work program for FY 2012-13, as well as certain activities of MTC's transportation planning partners, including the Congestion Management Agencies (CMAs) and transit operators.

A meeting was held on March 29, 2012 at MTC with representatives from Caltrans, ABAG, Federal Highways Administration, and Federal Transit Administration to discuss and comment on the OWP for FY 2012-13. Comments from the discussion have been incorporated into the final OWP (attached).

Attached for your review is Resolution No. 4057, which includes the following actions:

- Approves the final ABAG/Caltrans/MTC Overall Work Program (OWP) for FY 2012-13.
